

# Sapienza Gardens Trustees

## Press Release

For Immediate

Release.....July 8, 2009

Sapienza Gardens Memorial Bricks for Sale

Sapienza Gardens is a joint effort by Hillsdale and River Vale residents to honor the memory of the late Dr. Barbara Sapienza. The trustees of the garden are now selling memorial bricks for placement within Sapienza Gardens. Brick order forms are available at the Hillsdale and River Vale Borough Halls and Public Libraries.

The bricks, which allow for three lines of text, are \$50 and will be placed in the Children's Garden. Plans for this section of the gardens include 6 raised rectangular beds, each with a different theme. Between each of the sections will be a walkway including memorial bricks. This walkway provides access for the movement of strollers and wheelchairs through the garden, allowing children of all ages and abilities to enjoy each section of the garden.

The Sapienza Gardens are located in Hillsdale off St. Nicholas road. Although just in its infancy, the garden already sprung to life this April. The results of

volunteer efforts to clean the grounds and plant over 13,000 daffodil bulbs were evident at the Grand Opening in April. Future events include a "Wine in the Woods" fundraising cocktail party in September and a Klondike Gold Rush event for children in January. For more information about ordering a brick or about these events, please contact Jenny Frantin at 201-666-4978 or via e-mail at [jfrantin@optonline.net](mailto:jfrantin@optonline.net).
