

## Sapienza Gardens

### Press Release

For Immediate Release.....August 8, 2009

#### Clean-Up Day Planned for Sapienza Gardens

Hillsdale: In an effort to continue with the beautification of Sapienza Gardens, volunteers are invited to help with the Second Annual Fall Clean-Up Day on Sunday, September 20<sup>th</sup> from 9-1 A.M. The garden is located at the end of St. Nicholas Avenue, although parking is limited. Volunteers can park in the back of the PVHS lot and walk through the woods to the gardens. Gloves will be provided for all volunteers.

The Clean up is timed to come right before Sapienza Garden's first fundraising event, Wine in the Woods, which is scheduled for Saturday, September 26<sup>th</sup> and features light fare, wine and music provided by harpist Jose Luis Rodriquez. Tickets to the event are \$25 in advance and \$35 the day of the event. A rain date of October 3<sup>rd</sup> has been set in case of inclement weather. Admission is limited to those 21 and older. For tickets or more information, please contact Jenny Frantin at 201-666-4978 or [jfrantin@yahoo.com](mailto:jfrantin@yahoo.com).

Caption for photo: The phrase "everything but the kitchen sink" could not apply to last year's clean up day at Sapienza Gardens. The plot of that now lies host of the gardens was once a dumping ground, filled with cars, old refrigerators and yes, even a sink. Here, volunteers work to rid the property of old discards.
